

## **ANNUAL COMPLIMENTARY COURTESY MASTER EYE CHECK UP**

Best Wishes to you and your Family for a Happy. Healthy and Cheerful New Year from all of us at Sankara Nethralaya!

Sankara Nethralaya is a one stop referral ophthalmic with quality leadership providing eye care comparable to the best in the world at Indian Costs. We are also a Leading Academic and Research Institution in ophthalmology.

During this December season, we had a number of Indian friends living abroad visiting us at Sankara Nethralaya, Chennai. They all had very high appreciation of the quality of eye care provided by us. Many of them expressed their desire for their parents, parents-in-laws, elderly relatives living in Chennai and other places in India to get Annual Master Eye Check Up done at Sankara Nethralaya. Some of them even expressed a desire to have the Annual Master Eye Check Up for them or their parents etc living abroad when they come to India for their vacation. We mentioned to them about our new proposal of 'ANNUAL COMPLIMENTARY COURTESY MASTER EYE CHECK UP', which includes:

- Pick up from the residence in Chennai
- Performing Comprehensive Master Eye Check Up in our well equipped hospitals
- Drop back safely home
- Subject to the patients agreeing, share the results of the examination by email with their dear ones abroad

As a continuing supporter and well-wisher of Sankara Nethralaya, particularly for its Community Ophthalmology work, we have great pleasure in inviting you to avail of the above service, which will be provided to your dear ones for their life time. You are requested to email to [donation@snmail.org](mailto:donation@snmail.org) and a copy to [alagiri@snmail.org](mailto:alagiri@snmail.org), [prd@snmail.org](mailto:prd@snmail.org) the following details in respect of each of your dear ones to whom you would like this Annual Master Eye Check up services to be provided for their lifetime.
